

## INTERNAL / EXTERNAL CALL

### The Institute

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** is a scientific foundation which mission is to improve health and quality of life of the population, through the production and dissemination of scientific knowledge, training of researchers to an international standard, and promoting health innovation and the incorporation of medical advances in clinical practice and healthcare policies. Created in 1992, the institute was attached to the Autonomous University of Barcelona (UAB) in 2003, and since 2011 it is part of the Government of Catalonia's CERCA Programme.

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to the IIB Sant Pau, since 2015.

HR EXCELLENCE IN RESEARCH

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the Centre for Advanced Therapies:

**A4- Quality Control Responsible (Advanced Therapy Centre)**

## About the Unit / Group:

The Sant Pau Research Institute has established the Centre for Advanced Therapies to promote research into advanced therapies, increase production capacity under Good Manufacturing Practice (GMP) and enable the transfer of these therapies to our population.

The creation of this centre is strategic in order to provide to the research groups with the necessary resources to carry out projects in advanced therapies, provide specialised services and advice to our environment, both public and private. This centre already has a Clean Room and has several active projects in MTA including academic clinical trials with CAR-T Cells, and will have new state-of-the-art facilities for the production of these therapies under good manufacturing standards that will place the Institute at the forefront of Europe in this area. The person to be recruited will report to the Technical Management of the facility.

## Essential requirements

- Minimum qualification required: Degree in the area of Biosciences, Pharmacy or Engineering
- Minimum 4 years of accredited professional experience in Quality Management Systems for the manufacture of medicinal product.
- Intermediate Level of English.
- Advanced knowledge of office tools (excel, word, power point, etc).

## Skills will be valued

- Master's degree in the area of Biosciences.
- Experience in Good Manufacturing Practice for Advanced Therapy Medicinal Products / GMP-ATMP.
- Training and experience of at least three years in working procedures in medicinal products manufacturing white rooms.
- Training and experience of at least three years in Risk Management analysis in the field of GMP-ATMP.
- At least two years of experience in one or several companies that have obtained a manufacturing authorisation, in activities of qualitative analysis of food, quantitative analysis of active agents, as well as tests and verifications necessary to ensure the quality of medicinal product.
- Oral and written knowledge of the two official languages of Catalonia. Level C of Catalan or, alternatively, the person recruited will have to demonstrate, or

undertake to acquire, within a period of no more than one year, a correct knowledge of the two official languages of Catalonia.

- High level of oral and written English.
- Training and experience of at least three years in Clinical Trial Quality Management Systems (Good Clinical Practice).
- Analytical skills, teamwork, initiative, organisation and prioritisation of work tasks.

## Functions

- Ensure that each batch of medicinal products has been manufactured and controlled in compliance with current legislation and the requirements for authorisation by the AEMPS.
- Updating of documentation, control of changes and correction of applicable deviations. Approval of specifications, sampling instructions, testing methods and other quality control procedures, ensuring that they are fulfilled and updated, complying with GMP-ATMP requirements.
- Supervise product and installation quality control procedures and tests, ensuring that all necessary tests are carried out and that the associated records are evaluated, in compliance with GMP-ATMP requirements.
- Participate in audits of compliance with GMP-ATMP regulations.
- Assist the Technical Manager and the inspecting authorities in the performance of their duties.
- Support the research groups in the incorporation of new projects to be carried out under GMP-ATMP.
- Ensure that the facilities, materials and equipment meet the requirements of the GMP-ATMP.
- Managing equipment and ensuring the training of the staff in charge of it, as well as the staff accessing at the Centre's facilities.

## Offered

- Indefinite contract.
- Annual workday of 1.627,50 hours (37,5 hours/week)
- Remuneration according collective agreement (34.108,65€)

- Research Group: Centre for Advanced Therapies

### **AUTHORISATION FOR PROCESSING PERSONAL DATA**

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to [dpd@santpau.cat](mailto:dpd@santpau.cat).
