

CALL FOR INTERNAL PROMOTION

The Institute

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** is a scientific foundation which mission is to improve health and quality of life of the population, through the production and dissemination of scientific knowledge, training of researchers to an international standard, and promoting health innovation and the incorporation of medical advances in clinical practice and healthcare policies. Created in 1992, the institute was attached to the Autonomous University of Barcelona (UAB) in 2003, and since 2011 it is part of the Government of Catalonia's CERCA Programme.

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to the IIB Sant Pau, since 2015.

HR EXCELLENCE IN RESEARCH

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the Knowledge Management:

- Oral and written knowledge of the two official languages of Catalonia. Level C of Catalan or, failing that, the selected candidate must demonstrate, or undertake to acquire, within a period not exceeding one year, a correct knowledge of the two official languages in Catalonia.
- Intermediate level of English
- Advanced knowledge of office tools (Excel, Word, Power Point, etc.).
- Have a current employment relationship with the Institution

Skills will be valued

- Master's training related to information management in companies.
- Postgraduate degree in Science Communication and Evaluation.
- University postgraduate degree in Open Science: promotion, support and evaluation.
- Complementary courses in research data management and data management plans.
- Experience in team management.
- Advanced knowledge of scientific bibliographic databases.

- Knowledge of open access regulations and data management for projects financed with public funds.
- Knowledge of the use of support tools for the development of research data management plans, especially eiNa DMP.
- Knowledge of depositing datasets in open repositories, especially CORA.RDR following the FAIR principles.
- Participation in working groups between different institutions.
- Personal initiative, proactive attitude and ability to work in a team.
- Ability to communicate with professionalism and rigor both in written and spoken form.

Functions

- Lead the team of people from the knowledge management unit.
- Keep the institutional R+D+I staff database updated and inform external agents, such as the ISCIII, and internal agents (Outlook distribution lists, MailChimp) of changes in coordination with other management units.
- Proactively collect and validate with the research groups the institutional scientific publications, clinical practice guides and theses read.
- Ensure that the information published on the institutional website or in the scientific report is up-to-date (staff from the research and scientific production groups).
- Periodically send the institutional scientific information to the Portal de la Recerca de Catalunya through the CSUC.
- Coordinate, with the UAB library service, the updating of the scientific documentation deposited in the Digital Document Depository (DDD-UAB).
- Advise the research staff on aspects related to scientific publication, such as the creation of persistent identifiers, the selection of quality journals, signature and correct affiliation and bibliographic search and citation.
- Define open science policies and promote open science at the institutional level in coordination with other management units.
- Prepare and send the files with the required institutional scientific information to the UNEIX system (SIRECS and SICTI) and participate in the periodic evaluations.
- Prepare and send the annual ISCIII monitoring indicators required to the IIS and participate in the periodic re-accreditation assessments.
- Respond to requests for information from external entities and bodies such as INE, MICINN, REGIC, AQuAS and CERCA.

- Elaborate, review and update regulations related to institutional affiliation, the assignment and membership of people to research groups and open science and the management of research data.

Offered

- Indefinite contract,
- Annual workday of 1.627,50 hours (37,5 hours/week)
- Remuneration according collective agreement
- Research Group: Knowledge Management

AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpd@santpau.cat.
