

INTERNAL PROMOTION CALL

The Institute

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** is a scientific foundation which mission is to improve health and quality of life of the population, through the production and dissemination of scientific knowledge, training of researchers to an international standard, and promoting health innovation and the incorporation of medical advances in clinical practice and healthcare policies. Created in 1992, the institute was attached to the Autonomous University of Barcelona (UAB) in 2003, and since 2011 it is part of the Government of Catalonia's CERCA Programme.

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to the IIB Sant Pau, since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate into the Clinical Research Group of the Medical Oncology Service:

T1B- Senior Laboratory Technician

About the Unit / Group:

Clinical Research Group of the Medical Oncology Service

For over 10 years, the Clinical Research Group of the Medical Oncology Service has been committed to generating knowledge in clinical research, focusing on the study of new cancer treatment strategies. The group conducts more than 90 clinical trials across all areas of tumor pathology, promoted by both academic research groups—including national and international cooperative clinical research groups—and the pharmaceutical industry. They are currently developing phase I, II, and III studies. This group has produced numerous publications in various oncology fields.

Main Research Lines

CLINICAL:

- Development of new therapeutic strategies.
- Studies to improve tumor staging.
- Studies to detect residual disease.

TRANSLATIONAL:

- Personalized cancer therapy.
- Studies of predictive and prognostic molecular markers.

Essential requirements

- Minimum qualification: Higher Vocational Training (Advanced Vocational Training Cycle / FPII) or equivalent.
- At least 4 years of proven experience.
- Oral and written proficiency in both official languages of Catalonia, or the selected candidate must demonstrate or commit to acquiring an adequate level within one year.
- Intermediate level of office software tools (Excel, Word, PowerPoint, etc.).
- Must have a current employment relationship with the Institution.

Skills will be valued

- Advanced Vocational Training in Clinical and Biomedical Laboratory.
- Previous experience as a clinical trial sample manager in medical oncology.
- Previous experience in similar positions and in hospital laboratories.
- Previous experience in a hospital setting.

Functions

- All tasks related to handling biological samples from clinical trial participants.
- Processing, packaging, and shipping (ambient, refrigerated, or frozen) biological samples following laboratory manuals.
- Transport and storage of samples under appropriate temperature conditions (room temperature, refrigerated, frozen).
- Requesting and coordinating sample pick-ups with courier companies at different temperatures (including dry ice shipments).
- Maintaining and updating records of sample collection, storage, and shipping.
- Reviewing worksheets and preparing sample kits according to schedules.
- Maintaining and requesting lab kits and shipping materials based on inventory and expiration dates.
- Overall coordination and supervision of the biological sample management process in oncology trials, ensuring quality, traceability, and compliance with current regulations.
- Optimization and development of new traceability and conservation strategies.
- Active participation in the drafting and review of Standard Operating Procedures (SOPs) and associated records.
- Coordination with various clinical trial stakeholders (clinical teams, external labs, CROs).
- Independent resolution of complex issues and proposing workflow improvements.
- Performing complex techniques independently.

Offered

- Permanent contract.
- Annual work schedule of 1,627.50 hours (37.5 h/week).
- Salary according to collective agreement.
- Research Group: Clinical Oncology Research Group.

AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpo@santpau.cat.
