

INTERNAL / EXTERNAL CALL

The Institute

The **Fundació Institut de Recerca de l'Hospital de la Santa Creu i Sant Pau** (IR Sant Pau) is a scientific foundation whose mission is to improve public health and quality of life through the production and dissemination of scientific knowledge, training researchers at an international level, and promoting innovation and health by incorporating medical advances into clinical practice and healthcare policies. Established in 1992, it has been a center of research excellence affiliated with the Universitat Autònoma de Barcelona (UAB) since 2009 and a CERCA (Centres de Recerca de Catalunya) center since 2011.

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the Lipid-Related Diseases Physiopathology Group (PLRD):

T1A- Junior Laboratory Technician

About the Unit / Group:

The Lipid-Related Diseases Physiopathology Group at the Sant Pau Hospital Research Institute is an interdisciplinary and translational research team working in the field of cardiovascular diseases associated with metabolic disorders such as dyslipidemia, diabetes mellitus, obesity, dementia, and hyperhomocysteinemia, among others.

The goal of the group's various studies and research lines is to identify new targeted therapies and/or biomarkers to reduce cardiovascular risk and Alzheimer's disease in patients with these metabolic alterations, as well as to improve patient diagnosis and management.

Within the group, there are several research lines. The research line led by Dr. Rotllan focuses on identifying new therapeutic targets and potential treatments for cardiovascular diseases, specifically atherosclerosis.

Essential requirements

- Minimum qualification required: Higher Degree Professional Studies (Higher Degree Training Cycle / FPII) or equivalent.
- Oral and written proficiency in both official languages of Catalonia, or alternatively, the successful candidate must demonstrate, or commit to acquiring within no more than one year, an adequate command of both official languages of Catalonia.
- Intermediate knowledge of office software tools (Excel, Word, PowerPoint, etc.).

Skills will be valued

- Experience in molecular biology: WB, qPCRs, ELISAs, immunofluorescence assays.
- Experience in in vitro cultures to inhibit gene expression of specific genes in vascular cells (transfections).
- Experience in cholesterol flux and reverse cholesterol transport studies.
- Experience in microRNA studies.
- Previous experience in atherosclerosis studies using mice.
- Experience in histological staining.

Functions

- Protein extraction from tissues and cells.
- Performing WB, qPCRs, and ELISAs.
- Inhibition of gene expression in vascular cells (in vitro).
- Conducting cholesterol flux studies in vitro and cholesterol transport in vivo.

Offered

- Permanent contract linked to the Knowledge Generation 2022 Project:
“Vascular Smooth Muscle Cells, Reverse Cholesterol Transport, and miRNAs: Pathophysiological Mechanisms and New Targets to Prevent Cardiovascular Disease.”
Project PID2022-137186OB-I00, funded by MICIU/AEI /10.13039/501100011033 and FEDER, EU.

- Annual working hours: 1,627.50 hours (37.5 hours/week)
- Salary according to agreement.
- Research Group: Lipid-Related Diseases Physiopathology Group (PLRD).

Documentation and deadline for submission

Interested parties should preferably deliver the documentation (1) in PDF, by e-mail to the Management of the Santa Creu i Sant Pau Hospital Research Institute Foundation, address ir_seleccio@santpau.cat, indicating the reference **2025/174**:

(1) Application letter and updated Curriculum Vitae and signed Data Processing Authorization**

At the request of the Santa Creu i Sant Pau Hospital Research Institute Foundation, the candidates must present the documentation accrediting the merits mentioned in the curriculum vitae.

Applications will be resolved within a maximum period of one month from the end of the deadline for submission of documentation. At the end of this period, without having been notified of an express resolution, the interested parties will be entitled to understand that their applications have been rejected.

Santa Creu i Sant Pau Hospital Research Institute Foundation may declare this call for applications closed if, according to its criteria, the candidates does not meet the conditions that the Institution considers necessary to fill the position.

The interpretation of the requirements and their enforceability to the candidates will be exclusive to the Santa Creu i Sant Pau Hospital Research Institute Foundation.

****It is essential to attach the duly signed data processing authorization (document attached at the end of the call)*****

**The deadline for submitting applications
will end on November 11th, 2025, at 3:00 p.m.**

Fundació Institut de Recerca de l'Hospital de la Santa Creu i Sant Pau, sited at C. Sant Quintí, 77-79, 08041, Barcelona, Tel: 93 291 90 50, NIF: G-60136934, as Data Controller and in compliance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) and the Organic Law 3/2018 of 5th of December, on the protection of personal data and the guarantee of digital rights, will treat your data with the sole purpose of developing this call. The legal basis for this treatment is the article 6.1 a, c and f from the GDPR, giving that we will ask for your consent, the treatment is necessary for the application of precontractual measures and its necessary to satisfy the legitimate interests pursued by the Data Controller.

AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpo@santpau.cat.
