## INTERNAL PROMOTION CALL

### The Institute

The **Sant Pau Research Institute Foundation** (IR Sant Pau) is a scientific foundation whose mission is to improve the health and quality of life of the population through the production and dissemination of scientific knowledge, the international training of researchers, and the promotion of innovation and health by incorporating medical advances into clinical practice and health policies. Founded in 1992, it has been a center of research excellence affiliated with the Autonomous University of Barcelona (UAB) since 2009 and a CERCA center (Catalan Research Centers) since 2011.

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to the IIB Sant Pau, since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the **Endocrinology, Diabetes and Nutrition Research Group**:

**T4B- Senior Research Technician**

## **About the Unit / Group:**

The main research lines of the Endocrinology, Diabetes and Nutrition Research Group are:

- Diabetic complications: atherosclerosis and microvascular disease
- Diabetes epidemiology: primary care and research using large databases
- Endocrine disorders and pregnancy
- Nodular disease and thyroid cancer
- Diabetes and cardiovascular risk factors

## **Essential requirements**

- Minimum qualification required: Doctorate Degree or speciality (MIR, QUIR, FIR, BIR)
- More than 4 years of demonstrable experience in the specific area of work
- Oral and written knowledge of the two official languages of Catalonia or, failing that, the successful candidate will have to demonstrate, or promise to obtain, within a period not exceeding one year, a correct knowledge of the two official languages of Catalonia.
- Advanced level of English
- Advanced knowledge of office tools (excel, word, power point, etc).

## **Skills will be valued**

- Interest or experience in the coordination of clinical studies
- Ability to work both independently and as part of a team

## **Functions**

- Recruitment of potential study candidates. Clearly and correctly explaining the objectives, procedures, possible risks, and benefits of participation in clinical projects to potential participants.
- Inclusion: verification of selection criteria, proper acquisition of informed consent in accordance with Good Clinical Practice guidelines, performance of all procedures related to the research project, collection of clinical variables, questionnaires, and adverse events. Support to study participants, availability to answer possible questions, and monitoring of safety.
- Follow-up: collection of different clinical variables, analytical data, and

questionnaires from participants. Detection and reporting of different incidents and adverse events related to participant safety and data validity.

- Clinical and administrative procedures indirectly related to participants involved in different clinical projects.
- Coordination: establishing connections between the different services involved in carrying out the various study procedures. Communication of visits between study participants and different services. Coordination of monitoring visits and audits.
- Documentation: during the performance of all tasks directly related to patients, recording in source documents (medical records, questionnaires, reports) all procedures carried out from the moment of participant inclusion and throughout follow-up, until the completion or discontinuation of the different clinical projects. Documentation will also include updating study files and data entry into case report forms.
- Assessing the medical eligibility of participants according to protocol criteria.
- Making clinical decisions during participant follow-up.
- Managing and assessing adverse events that may occur during the study.
- Exercising overall medical supervision of the trial at the site (tasks may be delegated, responsibility may not).
- Certifying the completion of the subject's participation in the study.

## Offered

- Permanent contract
- Annual working time: 10 hours/week
- Salary according to collective agreement
- Integration into the Endocrinology, Diabetes and Nutrition Research Group

## Documentation and deadline for submission

Interested parties should preferably deliver the documentation (1) in PDF, by e-mail to the Management of the Santa Creu i Sant Pau Hospital Research Institute Foundation, address [ir\\_seleccio@santpau.cat](mailto:ir_seleccio@santpau.cat), indicating the reference **2026/002**

### **(1) Application letter and updated Curriculum Vitae and signed Data Processing Authorization\*\***

At the request of the Santa Creu i Sant Pau Hospital Research Institute Foundation, the candidates must present the documentation accrediting the merits mentioned in the curriculum vitae.

Santa Creu i Sant Pau Hospital Research Institute Foundation

### **AUTHORISATION FOR PROCESSING PERSONAL DATA**

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to [dpo@santpau.cat](mailto:dpo@santpau.cat).

#### **Consent**

I have been informed about the processing of my data and I consent to the processing:
