

INTERNAL PROMOTION

The Institute

La **Fundació Institut de Recerca de l'Hospital de la Santa Creu i Sant Pau** (IR Sant Pau) és una fundació de caràcter científic que té com a missió millorar la salut i la qualitat de vida de la població, mitjançant la producció i difusió del coneixement científic, la formació d'investigadors a nivell internacional i el foment de la innovació i la salut mitjançant la incorporació dels avenços mèdics en la pràctica clínica i les polítiques sanitàries. Creat al 1992, és un centre de recerca d'excellència adscrit a la Universitat Autònoma de Barcelona (UAB) des de 2009 i, des de 2011, és un centre CERCA (Centres de Recerca de Catalunya).

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research", since 2015.

The **Fundació Institut de Recerca de l'Hospital de la Santa Creu i Sant Pau** needs to incorporate at the *Multimodal Neuroimaging of Neurodegeneratioin and Cognition in Ageing*,

R3C - Emerging Group Leader

About the Unit / Group:

The research group will work on *Multimodal Neuroimaging of Neurodegeneration and Cognition in Ageing*, an emerging group aligned with Area 3: Neurological Diseases Neuroscience and Mental Health, focuses on studying the use of multimodal neuroimaging techniques to study the neural correlates and molecular basis of cognitive decline and dementia in neurodegenerative diseases, particularly Alzheimer's disease and related dementias

Essential requirements

- Minimum required qualification: PhD.
- Research stays in foreign institutions.
- High-quality scientific track record.
- Ability to lead an emerging research group.
- Ability to manage the development of an emerging research group.
- Ability to act as Principal Investigator (PI) of their own research projects.
- Accreditation by the External Scientific Committee of IR Sant Pau.

Skills will be valued

- Minimum 5 years' experience in research of neuroimaging techniques
- Team leadership
- Ability to establish links between different research areas
- Participation in national and international research networks
- Research fundraising through competitive calls
- Contribution to the implementation of cooperative research projects
- Have successfully finished the Miguel Servet Programme

Functions

- Lead the group and design research projects aligned with the emerging group's lines of research. Define the challenges to be achieved.
- Apply for public and private grants (to be submitted in national/international calls) to ensure the group's research and sustainability.
- Generate knowledge through rigorous methods and interdisciplinary approaches.
- Publish scientific articles in indexed and prestigious journals.

- Present results at conferences, seminars and academic and scientific forums.
- Communicate scientific advances to society through participation in outreach activities.
- Train undergraduate, master's and doctoral students.
- Promote the acquisition of advanced scientific and technical skills among group members.
- Establish collaborations with other research groups, both local and international.
- Participate in scientific networks, consortia and interdisciplinary projects (national/international).
- Ensure the applicability of research results, such as patents or innovative products, and guarantee the transfer of results or knowledge to the productive sector and society in general.

Offered

- Indefinite-term contract
- Annual workday of 1.627,50 hours (37,5 hours/week)
- Remuneration according collective agreement

Documentation and deadline for submission

Interested parties should preferably deliver the documentation (1) in PDF, by e-mail to the Management of the Santa Creu & Sant Pau Hospital Research Institute Foundation, address ir_seleccio@santpau.cat, indicating the reference **2026/018**:

**(1) Application letter and updated Curriculum Vitae
and signed Data Processing Authorization****

At the request of the Santa Creu i Sant Pau Hospital Research Institute Foundation, the candidates must present the documentation accrediting the merits mentioned in the curriculum vitae.

Applications will be resolved within a maximum period of one month from the end of the deadline for submission of documentation. At the end of this period, without having been notified of an express resolution, the interested parties will be entitled to understand that their applications have been rejected.

Santa Creu i Sant Pau Hospital Research Institute Foundation may declare this call for applications closed if, according to its criteria, the candidates does not meet the conditions that the Institution considers necessary to fill the position.

The interpretation of the requirements and their enforceability to the candidates will be exclusive to the Santa Creu & Sant Pau Hospital Research Institute Foundation.

****It is essential to attach the duly signed data processing authorization (document attached at the end of the call)****

**The deadline for submitting applications
will end on February 9th, 2026, at 3:00 p.m.**

AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpo@santpau.cat.
