

INTERNAL / EXTERNAL CALL

The Institute

The **Research Institute of the Hospital de la Santa Creu i Sant Pau Foundation (IR Sant Pau)** is a scientific foundation whose mission is to improve the health and quality of life of the population through the production and dissemination of scientific knowledge, the international training of researchers, and the promotion of innovation and health by incorporating medical advances into clinical practice and health policies. Established in 1992, it has been a centre of research excellence affiliated with the Universitat Autònoma de Barcelona (UAB) since 2009 and, since 2011, a CERCA centre (Centres for Research in Catalonia).

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to the IIB Sant Pau, since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the XWHIN Network:

A3B Senior Administrative Technician

About the Unit / Group:

The XWHIN Network (Women's Health Innovation Network) is opening a call to recruit a communication manager linked to innovation and knowledge transfer initiatives in women's health, promoting collaboration between research, the healthcare system, the productive sector and social stakeholders.

This position offers the opportunity to join a leading interdisciplinary and innovative network in the field of women's health, both in Catalonia and across Spain, with a clear international outlook. The selected candidate will have the opportunity to define and implement the network's communication strategy and brand identity. The activity will be carried out in a collaborative, dynamic and excellence-oriented environment that fosters networking and the generation of synergies. The position will provide access to a broad network of research, healthcare, institutional and industry stakeholders.

Employment conditions will be competitive and aligned with the experience and profile of the selected candidate.

Essential requirements

- Minimum required qualification: Higher Education degree (Bachelor's / Diploma / University Degree) or equivalent, specific to the relevant field.
- Minimum of 4 years' proven experience in a Junior Project Management Technician position or equivalent.
- Oral and written proficiency in the two official languages of Catalonia. Level C of Catalan or, otherwise, the selected candidate must demonstrate, or commit to acquiring within a maximum period of one year, an adequate command of both official languages of Catalonia.
- Advanced oral and written English (negotiation level).
- Advanced knowledge of office software tools (Excel, Word, PowerPoint, etc.).

Skills will be valued

- Training in Research Impact.
- Experience in managing R&D&I projects.
- Ability to support projects considering RRI criteria across all initiatives.
- Previous experience integrating the sex and gender perspective into research and innovation.
- Experience in applying for competitive funding, especially at international level.

- • PhD in Health Sciences, Biomedical Sciences, Social Sciences applied to Health, Pharmacy, Medicine, Nursing, Public Health, or related fields.
- • Organized and methodical working habits.
- • Ability to work in a team and foster key internal and external collaborations.
- • High level of initiative and autonomy.
- • Communication skills.

Functions

- Support the strategic planning of R&D&I proposals, systematically integrating the gender perspective, health equity, RRI principles, and social impact.
- Identify gaps in knowledge, access, and health outcomes affecting women to guide project objectives and priority lines.
- Collaborate in defining priority action lines in under-researched, underdiagnosed areas or those with limited therapeutic options.
- Facilitate the integration of clinical, epidemiological, social, and public policy content into project proposals.
- Advise research teams and network members to ensure systematic incorporation of scientific, ethical, and equity criteria, including sex- and gender-disaggregated data.
- Collaborate in defining transfer, implementation, and impact strategies aimed at clinical practice, community settings, and public policy.
- Support the definition of transfer, implementation, and impact strategies aimed at clinical practice, community settings, and public policy.
- Identify, organize, and coordinate training activities on sex and gender perspective targeted at professionals and research teams.
- Promote intersectoral collaboration and engagement of key stakeholders, including public institutions, academia, companies, patient associations, and community organizations.
- Coordinate budget preparation, resource planning, and the definition of impact and evaluation indicators, ensuring alignment with call objectives and requirements.
- Manage preparation and submission timelines, leading coordination between internal teams and external stakeholders to ensure high-quality deliverables within established deadlines.
- Any other function identified as necessary for the proper functioning of the

network.

Offered

- Permanent part-time contract linked to the Women's Health Innovation Network (XWHIN), file reference number 2025 XARDI 00009.

**Generalitat
de Catalunya**

- Part-time working hours 1,627.50 hours (37.5 hours/week).
- Salary in accordance with the applicable collective agreement.

Documentation and deadline for submission

Interested parties should preferably deliver the documentation (1) in PDF, by e-mail to the Management of the Santa Creu i Sant Pau Hospital Research Institute Foundation, address ir_seleccio@santpau.cat , indicating the reference **2026/033**:

**(1) Application letter and updated Curriculum Vitae
and signed Data Processing Authorization****

At the request of the Santa Creu i Sant Pau Hospital Research Institute Foundation, the candidates must present the documentation accrediting the merits mentioned in the curriculum vitae.

Applications will be resolved within a maximum period of one month from the end of the deadline for submission of documentation. At the end of this period, without having been notified of an express resolution, the interested parties will be entitled to understand that their applications have been rejected.

Santa Creu i Sant Pau Hospital Research Institute Foundation may declare this call for applications closed if, according to its criteria, the candidates does not meet the conditions that the Institution considers necessary to fill the position.

Santa Creu i Sant Pau Hospital Research Institute Foundation

AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpo@santpau.cat.
