

INTERNAL / EXTERNAL CALL

The Institute

La **Fundació Institut de Recerca de l'Hospital de la Santa Creu i Sant Pau** (IR Sant Pau) és una fundació de caràcter científic que té com a missió millorar la salut i la qualitat de vida de la població, mitjançant la producció i difusió del coneixement científic, la formació d'investigadors a nivell internacional i el foment de la innovació i la salut mitjançant la incorporació dels avenços mèdics en la pràctica clínica i les polítiques sanitàries. Creat al 1992, és un centre de recerca d'excel·lència adscrit a la Universitat Autònoma de Barcelona (UAB) des de 2009 i, des de 2011, és un centre CERCA (Centres de Recerca de Catalunya).

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to the IIB Sant Pau, since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the Cancer Epigenetics Group:

T2- Research Technician

About the Group:

The group focuses its research on establishing epigenomic and epitranscriptomic maps for normal and transformed cells, studying the interactions between epigenetic modifications and non-coding RNAs, and developing new epigenetic drugs for cancer treatment.

The research plan for the coming years will expand and innovate upon the group's previous key contributions in the fields of epigenetics and epitranscriptomics, both at the basic and translational levels, addressing organ, tissue, and cell identity and how these characteristics become deregulated in disease, mainly focusing on cancer.

Essential requirements

- Minimum required qualification: Higher Education Degree (University Diploma or Bachelor's Degree) or equivalent.
- Oral and written knowledge of the two official languages of Catalonia or, otherwise, the selected candidate must demonstrate, or commit to acquiring within a maximum period of one year, an adequate command of both official languages of Catalonia.
- Intermediate level of English.
- Intermediate level of office software tools (Excel, Word, PowerPoint, etc.).

Skills will be valued

- Knowledge of molecular genetics.
- Knowledge of cell biology.

Functions

- Develop experiments to study cancer epigenetics.
- Contribute to the general tasks of the group.

Offered

- Contract linked to the project Bilingual Factors associated with Cognitive Reserve and Linguistic Resilience in Hispanics with Primary Progressive Aphasia.
- Part-time position (34.55 h/week).
- Salary according to IR salary scales.
- Research group: Cancer Epigenetics.

Documentation and deadline for submission

Interested parties should preferably deliver the documentation (1) in PDF, by e-mail to the Management of the Santa Creu i Sant Pau Hospital Research Institute Foundation, address ir_seleccio@santpau.cat, indicating the reference **2026/066**:

- (1) Application letter and updated Curriculum Vitae
- (2) signed Data Processing Authorization**

At the request of the Santa Creu i Sant Pau Hospital Research Institute Foundation, the candidates must present the documentation accrediting the merits mentioned in the curriculum vitae.

Applications will be resolved within a maximum period of one month from the end of the deadline for submission of documentation. At the end of this period, without having been notified of an express resolution, the interested parties will be entitled to understand that their applications have been rejected.

Santa Creu i Sant Pau Hospital Research Institute Foundation may declare this call for applications closed if, according to its criteria, the candidates does not meet the conditions that the Institution considers necessary to fill the position.

The interpretation of the requirements and their enforceability to the candidates will be exclusive to the Santa Creu i Sant Pau Hospital Research Institute Foundation.
