

INTERNAL / EXTERNAL CALL

The Institute

The **Research Institute of the Hospital de la Santa Creu i Sant Pau Foundation (IR Sant Pau)** is a scientific foundation whose mission is to improve the health and quality of life of the population through the production and dissemination of scientific knowledge, the international training of researchers, and the promotion of innovation and health by incorporating medical advances into clinical practice and health policies. Established in 1992, it has been a centre of research excellence affiliated with the Universitat Autònoma de Barcelona (UAB) since 2009 and, since 2011, a CERCA centre (Centres for Research in Catalonia).

For the Foundation, it is a priority to ensure that the most suitable candidate is hired to fill a job through an open, transparent and merit-based selection process (OTM-R). Following these guidelines, staff mobility, knowledge exchange and, ultimately, the increase in the quality of teaching and research will be enhanced. Faithful to our commitment to the European Union's human resources strategy, our institution's personnel selection and recruitment procedures are governed by a set of basic principles that guarantee equal access to employability for all. Therefore, the constitutional principles of equality, merit and ability are followed, respecting in all cases the national and international regulations in force in this area, specifically the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C). The principles of C&C are applicable to the recruitment of any personnel of the institution, regardless of their professional category. For this reason, our Foundation has obtained the recognition of "Excellence in R+D in Research" granted to the IIB Sant Pau, since 2015.

The **Santa Creu i Sant Pau Hospital Research Institute Foundation** needs to incorporate at the XWHIN Network:

A3B Senior Administrative Technician

About the Unit / Group:

The XWHIN Network (Women's Health Innovation Network) is opening a call to recruit a Project Manager linked to initiatives in innovation and knowledge transfer in women's health, promoting collaboration between research, the healthcare system, the productive sector, and social stakeholders.

This position offers:

- The opportunity to join an interdisciplinary and innovative network of reference in women's health in Catalonia, Spain, with a clear international projection.
- The opportunity to promote innovation and knowledge transfer initiatives with social and healthcare impact.
- The benefit of working in a collaborative, dynamic environment oriented towards excellence.
- Professional development opportunities in the field of innovation and knowledge transfer project management, mainly in the pre-award phase.
- Access to a wide network of research, healthcare, institutional and industry stakeholders.
- Competitive working conditions according to the experience and profile of the selected candidate.

Essential requirements

- Minimum required qualification: Higher Education degree (Bachelor's degree or equivalent) related to the area of the position.
- Proven experience of at least 4 years in a Junior Project Management Technician position or equivalent.
- Oral and written knowledge of the two official languages of Catalonia. Catalan level C or, failing this, the selected candidate must demonstrate or commit to acquiring an adequate knowledge of both official languages within a maximum period of one year.
- Advanced oral and written English skills (negotiation level).
- Advanced knowledge of office software tools (Excel, Word, PowerPoint, etc.).

Skills will be valued

- PhD in Health Sciences, Biomedical Sciences, Social Sciences applied to Health, Pharmacy, Medicine, Nursing, Public Health, or related fields.
- Training or previous experience in integrating a gender perspective into research and innovation.

- Training or experience in innovation.
- Demonstrated experience in managing and/or coordinating R&D&I projects or public-private partnerships, preferably collaborative projects funded through competitive calls.
- Previous participation in research networks or multi-institutional consortia.
- Experience in preparing and monitoring technical reports, justification reports and project deliverables.
- Competence in managing project timelines, milestones, indicators and risks.
- Ability to establish key internal and external collaborations.
- Strong organizational and methodological skills.
- Ability to work independently and within interdisciplinary and multicentre teams.
- Excellent communication skills.

Functions

- Coordinate the technical implementation of collaborative R&I projects promoted by the network.
- Advise on the strategic alignment of proposals with scientific priorities, social impact objectives and equality policies.
- Monitor project implementation (milestones, deliverables, indicators and risks), ensuring compliance with deadlines and objectives, and prepare activity reports.
- Ensure the cross-cutting integration of gender perspective and intersectionality across projects and network activities.
- Maintain project monitoring systems, project databases and stakeholder mapping tools.
- Propose continuous improvements to network management processes.
- Prepare documentation for governance meetings (agendas, minutes, executive and monitoring reports).
- Perform any other duties required for the proper functioning of the network.

Offered

- Permanent contract linked to the Women's Health Innovation Network (XWHIN), file number 2025 XARDI 00009, supported by the Department of Research and

Universities of the Government of Catalonia.

- Annual working time of 1,627.50 hours (37.5 hours/week).
- Salary according to collective agreement.
- Affiliation with the Responsible Research and Innovation Unit (RRI).

AUTHORISATION FOR PROCESSING PERSONAL DATA

Dear candidate:

The Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, with CIF G-60136934 and registered office at C/ Sant Quintí, 77-79, (08024) Barcelona, as data controller, informs you that it will process your data for the following purposes:

- Receipt of applications.
- Analysis of applications in order to incorporate the worker into the team of the Fundació Institut de Recerca del Hospital de la Santa Creu i Sant Pau, for a current vacancy and for future selection processes that fit your profile.
- To carry out personnel selection processes, as well as to formalise the hiring of the employee, if applicable.
- Comply with the required legal obligations.

The legitimate basis for processing the data is based on the legitimate interest of processing this job offer, in accordance with the provisions of Article 6.1 b) of the General Data Protection Regulation, as your data are necessary for the performance of a contract, which the data subject is a party or for the implementation of pre-contractual measures at his or her request.

However, we inform you that your data (i) will only be processed by those departments or areas of the Institute which, according to their competencies and functions, have an interest in the selection of personnel, (ii) may be communicated to public authorities and organisations, in order to comply with a legal obligation, such as service providers and third parties necessary for the management and execution of the relations derived from the request made and (iii) that they will be kept for the periods foreseen for the prescription of legal responsibilities.

Finally, we inform you that you have the right to access your personal data, to rectify them, to request their deletion, to oppose their processing and to revoke your consent to this processing. In certain circumstances, you may request that we restrict the processing of your personal data, in which case we will only retain your personal data for the exercise or defence of claims. In addition, you have the right to make a complaint to the relevant data protection authority. If you have any questions about the processing of your data you can contact the Entity's Data Protection Officer by sending an email to dpo@santpau.cat.
